Dare to Repair Cafes are pop-up community events where individuals can bring broken items and have a team of volunteer fixers try to repair the item alongside them *for free!*

Current repair categories include small appliances, lamps, electronics, bicycles, clothing, and textiles. Please no gas powered items or TVs.

**Learn a new skill, save money, and help save the planet!**

Note: Repairs are not guaranteed and all participants will be required to sign a waiver. Not all fixers can make every event, so registering ahead of time helps ensure we've got someone who can fix your item. Replacement parts are limited, so bring 'em if ya got 'em!
